

POLITECNICO
DI TORINO

Vodafone IoT Academy

January-July **2020**

Spazi CLIK, *Corso Duca Degli Abruzzi 24*

Would you like to gain in-depth knowledge of **IoT** in real life applications?

Do you want to **challenge yourself** with learning on the job activities in cooperation with Vodafone?

Do you have an attitude for **team working**?

If your answer is *yes*, join the

**Vodafone
IoT
Academy!**

The Academy program includes **12 weeks** of teaching activities followed by **12 weeks** of team work

You will obtain 8 CFU credits to be included in your diploma supplement (according to the rules of your Master Degree)

You will be awarded **1000 €** if you complete the Academy
