YOUNG RESEARCHER COMPETITION

The EU funded competition awards monetary prizes sponsored by industry to BSc, MSc and PhD candidates from all over Europe. Winners will take part in a prestigious award ceremony at the TRA 2022 in Lisbon and will have the opportunity to meet EC representatives and experts in the field of transport.

Note that another competition run by the TRAVISIONS 2022 Consortium will be devoted to Senior Researchers...for further information on this visit our website www.travisions.eu

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 101006593.
